MISCELLANEOUS REQUEST FORM

From: Rogelio Rodriguez To: LT Tortor Pod: D Date: 31

I am writein in regards to the grievansess
Doputy Harris Shreded I dont think its right
they were shreded a "legal Document" she wrote
denieing all alegations on a blank paper not the
grievances I wrrote she shreded the main
grivancess with the issue with all due respect
I dont know how you would handel this I need something
done about this I would like to talk to a sheriff
Scott Steward please I dont know how my
paper work is different from every body, elses
to get shreded I would also like the oportunity to
grieve January 11th and the rest of the one that got
Shreded that is tampering with evidence

Grievances ~~is~~ a process through the jail. They are not "legal" documents. Sgt Harris spoke to ^{you} verbally about a human mistake that was made and she responded to your grievance. You still have the opportunity to appeal her response. All of the rest of your grievances you should have. There was only 1 Grievance that was shredded. No others. Your paper work is not different from anyone else's. Follow the grievance process. If you wish to appeal's Sgt's Harris's response then the Lt will be the one to answer it. This request is being answered by me as this request ~~is~~ should first be answered by a deputy. In short... Again follow the grievance process. It is not evidence nor is it a legal document.

MISCELLANEOUS REQUEST FORM

From: Rogelio Rodriguez To: Lt Forzon ^{Deputy} Pod: D Date: 31

on January 15 I sent out a white manila envelope addressed to the United States District Court I was told it would get stamped and charged to my indigent account I would like the receipt please and check if it went out please. the reason I ask is because last time I sent one out like that it did not get stamped and came back I was late 7 days on important legal documents I had to fill out and sent I was told I could get in trouble next time this happens
THANKS for your time much Respect

What Address do you send this white envelope to?
Please follow the chain of command when filling out misc.
